Ads:

File format: pdf

Before creating pdf files please make sure that all included image files are saved in CMYK mode, as the printer cannot separate the colors in RGB mode, and post-processing your files can be very time-consuming and therefore expensive.

All file formats listed above can be transmitted either in PC or Mac format.
Please also supply logos and type fonts.

Images included in ads must also meet the minimum requirements for images and photographs in print quality. Colorless or white adverts must be framed by a black border in order to avoid overlapping.

Guidelines for data transmission

Please e-mail documents smaller than 10 MB to Christina Töpfer: magazine@camera-austria.at.

For larger documents, please use one of the many available digital transfer services (YouSendIt, WeTransfer, Dropbox, etc.).

Make sure to send a quality proof for color match and print control to our editorial office in Graz:

Camera Austria, Lendkai 1, 8020 Graz, Austria.

We can guarantee perfect print quality only if quality proof (4-color / black-and-white) is provided.
